

# GUILDERLAND CENTRAL SCHOOL DISTRICT

DEPARTMENT OF HEALTH, PHYSICAL EDUCATION & ATHLETICS

*Regan Johnson, Director of Health, Physical Education & Athletics*

March 7, 2018

Dear Student-Athlete and Parent/Guardian,

As hard as it is to believe that we have completed the fall and winter seasons, March is here and we are looking forward to another successful spring!

We will be holding a very important “Spring Coaches Information Night” on Monday March 26th at 6:30 pm. The first portion of the meeting will be in the Big Gym with both students and parents. The second portion of the night will take place in separate rooms with the coaching staff of the individual teams. The room assignments are below.

Big Gym – Boys Track  
Main Café – Girls Lacrosse  
Large Café – Girls Track & Field  
Small Café – Boys Tennis  
Library Classrooms – Softball  
Auditorium – Boys Lacrosse  
Library – Baseball

Realizing that we have many multi-sport athletes and parents who have heard my portion of the presentation prior to the fall and winter seasons, I encourage all parents/guardians and student-athletes to attend. Many of the messages will be similar, where we will discuss season expectations, specific protocols and promote positive communication. There will be different topics discussed. I look forward to seeing you on the 26th and should you have any questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads 'Regan D. Johnson' with a stylized flourish at the end.

Regan D. Johnson, CMAA  
Director of Health, Physical Education & Athletics
