## Game Rules

- There will be 12 members on each team with a total of 24 players on the court
- This is a double elimination tournament.
- Games are a minimum of 5 minutes long (depending on # of team sign-ups)
- All members on the floor to start on the baseline
- The game begins by placing the dodgeballs at each team's foul line extended (approx. 20 feet from baseline). Players take their positions behind their end line and following the "Dodgeball" shout by the referee(s) and a blasting of the horn by the official, teams may approach their line to retrieve their dodgeballs.
- No time outs; No Substitutions
- In case of a tie the remaining players will be involved in a 1 minute overtime session. After 1 minute of play NO members may re-enter after being hit. The winning team will have the most team members on the floor.
- Sudden death play will continue after there is a tie from the overtime period. The next player to be eliminated from either team first; opposing team wins. *Play will start with the remaining players after the 1<sup>st</sup> overtime is complete.*
- **Any player caught deliberately cheating will cause their whole team to be eliminated.**
- **Arguing with the referee will result in a player being removed from game play or his/her team.**
- Once a player is eliminated, they must immediately leave the court and sit down in the designated numbered chair and await their turn to re-enter.
- You **MAY NOT**, at any time, join a team other than the one you have signed up and registered with. Failure to abide by this rule will result in the disqualification of the second team you joined.
- **Stalling Rule-** 1 warning will be given to any team that holds the dodgeballs on their side or delays the game. If a team continues to stall, a team mate will be removed from to field of play (male/female alternating).
